## Course Content

This course is designed to equip you with the knowledge and skills to design and lead experiences in nature for children. Integral to the course is reflective practice, so that participants come to embody what is shared.

### Lecture one:

- Our departure point
- We will explore our current understanding of children and education, and co-create a new narrative

### Lecture two:

### Lecture three:

### Lecture four:

### Lecture five:

### Lecture six:

You are able to enroll for the full course or select lectures.
