

TREEING

WITH MICHAELA AND SAM

FINDING THE STORIES OF OUR ANCIENT GIANTS

So often we wander past trees oblivious of their name and story. Well, it's actually mighty fun finding them!

So join us for an evening of tree identification in Virginia Bush. We have a list of trees whose names we need to know, so that we can create tree identification tags for them. We also have a few cheat sheets to help along newbies. So, bring along your tree book, and let's get to work!

DATE: 23 APRIL

TIME: 4PM - 5:30PM

VENUE: LOWER VIRGINIA BUSH

COST: R100PP

For more information and to reserve your space, please contact Michaela at info@kinshipprogramme.com
